**Student Full-Time Status Confirmation Form**

---

To qualify for student registration and student presentation competitions, you must meet the conference **FULL-TIME** status requirements. This includes being enrolled as a full-time student during the 2021 calendar year. Your major professor must sign this form to confirm your full-time status.

If you are not a full-time student or cannot provide a completed confirmation of your full-time status, you will be required to pay the full registration rate and will not be allowed to participate in the student oral and poster presentation competitions.
